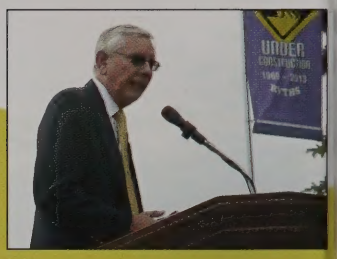
GOOD LUCK SENIORS !!!

"Every person should make his son or daughter learn some useful trade or profession of some sort, which in this day and age, can give a person a skill or talent to fall back on for the rest of their life."

P. T. Barnum
American Businessman & Entrepreneur

Even back then people knew the true value of a Career & Technical Education in society.

SCHOOL COMMITTEE

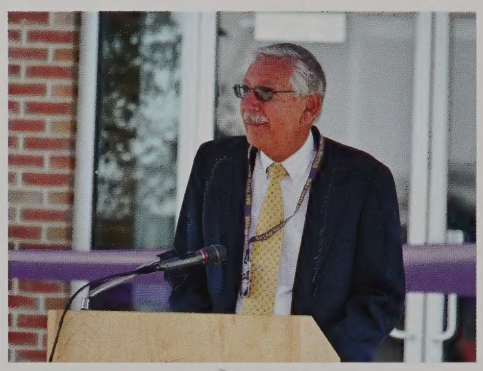


Thanks for Everything

Thank you for all that you do for our school and for our students at Bay Path. People can rest assured knowing that our school is in great hands because people such as yourselves are looking after things. On behalf of all the students, faculty, staff, and teachers, thank you.

Front Row: Michelle Hull, Alfred Beland, Jack Haroian, Helen Lenti, Dr. Rene J. Hamel, Olaf Garcia, and Clanrence Bachand.

Back Row: Michael Pantos, Donald Gillette Sr., Donald Erickson, Kenneth Wheeler, Alfred Reich, Robert Mowatt, Thomas Mroczek, Peter Schur, Timothy Schur, James Caldwell, Robert Wilby, and Robert Zukowski



Whether you are spending time in meetings, approving field trip requests, approving funding for special projects, or planning for our future, we know you are always looking out for us.

School Committee

You mean more to us than you will ever know, and thank you very much.

Thank You For Being There!!!

SPECIAL THANKS

"Thank you for all that you do for us. You both have cared for us and made sure that our time at Bay Path was special, memorable, and fun."

Karen Eaton, Class President

"Thank you for being our advisors and thank you for everything you did for us over the past four years. You did everything to make sure our prom, as well as our senior year, was something we will always remember."

Dana Choiniere, Class Secretary

Advisor: Miss Moscoffian

Advisor: Mrs. Reil

"Thank you so very much for all that you do for us, the students. Thank you for always making sure the school is clean, the issues are tended to, and the snow is plowed. We had a lot of snow this year, and we know that when we come into school and the snow is gone and the pathways are safe, it is because of you all."

The Senior Class

"For the past four years you have made sure we always had lunch prepared, listened to our issues when we wait in line, and are always there for us. We wanted to say thank you for everything, and know, as a class, we are forever grateful."

The Senior Class

FACULTY & STAFF

Leaders & Heroes

A school is made of bricks and plaster, paint and flooring, and has a good foundation. Here at Bay Path that good foundation is not wood or plaster, but teachers, administrators, and staff. Together everyone in school makes sure the students are priority number one.

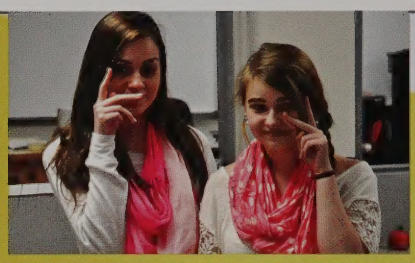
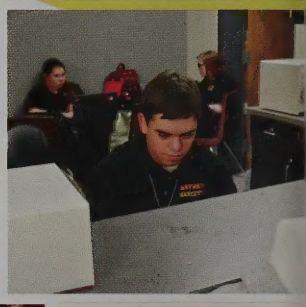
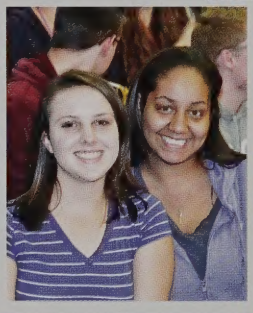
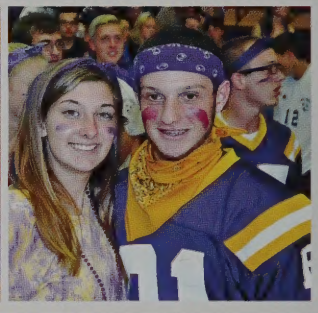
Almost Seniors....

As another year passed here at Bay Path the junior class found themselves ready to be seniors. The junior class as a whole did very well this year, especially with clubs and sports teams at our school. Let's hope the juniors can keep their motivation, dedication and enthusiasm next year, when they start their last year at Bay Path.









Junior Colors Represent at Rally

The Homecoming Pep Rally was a success. The Junior Class showed almost just as much spirit as the Seniors, almost beating them in Tug of War.

Another year started and last year's freshmen came back as sophomores, with more enthusiasm and so much more motivation. As the year went on those sophomores learned more about their trade, became even more skilled, and some even competed in our SkillsUSA & DECA programs. Good luck Sophomores.

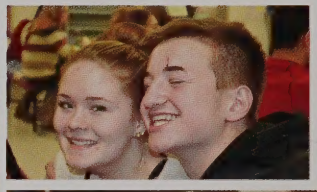
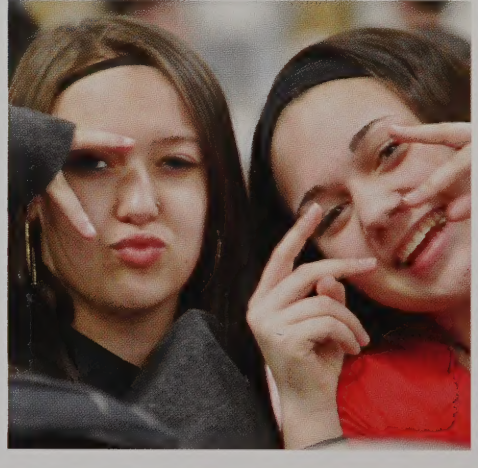
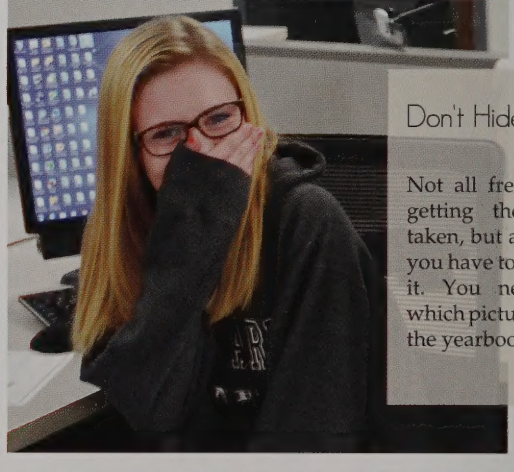
Welcome to Bay Path

Another year started and more and more new freshmen came from the surrounding towns. As the year went on the freshmen settled in to their new shops, made new friends, and joined our clubs and sports teams. Our freshmen sports teams did well this year and we look forward to the future of this class here at Bay Path.



A bunch of freshmen working hard in Cosmetology during their week in exploratory.





Don't Hide !!!

Not all freshmen like getting their picture taken, but at Bay Path, you have to get used to it. You never know which picture will be in the yearbook.

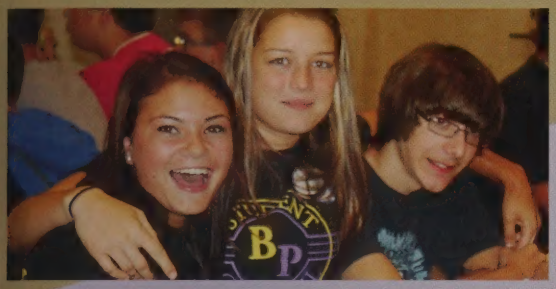
Just to give you some background, this is the third year culinary has placed in the top three for competitions.

OUR CLUBS

Welcome Freshmen

Freshmen are always nervous on their first day of school and Student Council members are there to help, guide and support them.



Student Council students getting ready to welcome the freshmen to their first day of school at Bay Path.

Holiday Season

Our Student Council students gather together to help decorate a tree for the holiday season.

Student Council

Whether it is the first day of school for the freshmen class, an advisory dinner for the teachers, or our annual open house and parent's night, you can always find members of the Student Council helping out and willing to serve. Even on those cold days when you crave a bowl of chili from our concession stand, a student council member is likely to serve you. These students go over and above the call of duty and should be thanked and recognized. Thanks to Mrs. LePage and all of the students in the Student Council who we all can count on.

Stop, Ask Questions

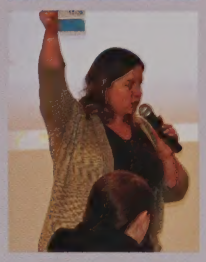
If you feel like anyone you know is sad, or always seems a bit down, stop and ask questions because we all need a friend from time to time.

Students Against Destructive Decisions invited a guest speaker to discuss depression and how to help others.

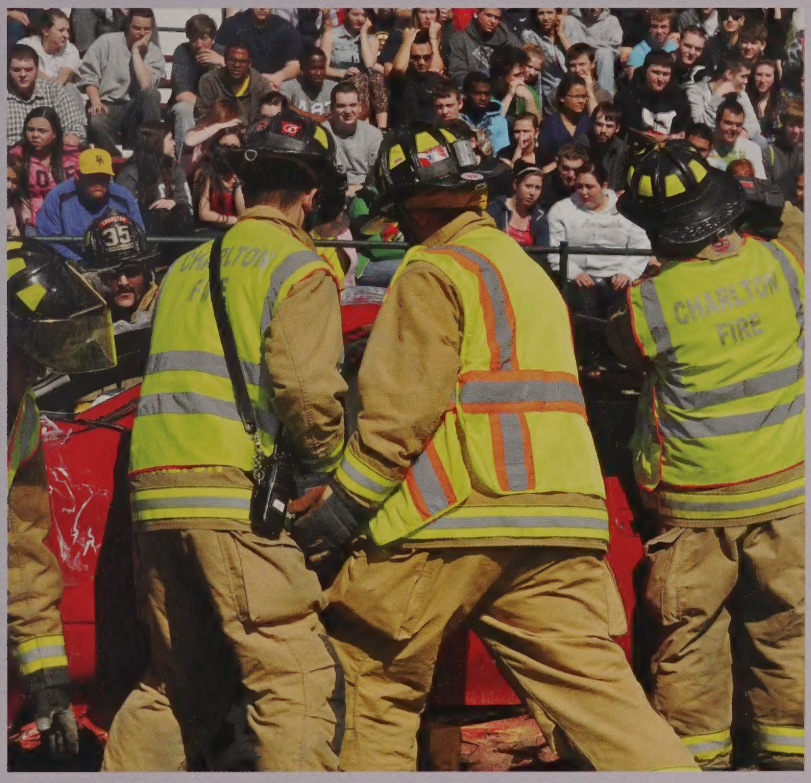
Pay Attention

Be smart, don't text while driving. Distracted driving is such an easy thing to avoid, so put the phone away.

S.A.D.D.



Students Against Destructive Decisions, led by Mrs. LePage, is such an important club to be a part of at Bay Path. You will learn how to see signs of depression in friends and offer help, how important it is to NOT text and drive, and how a bystander has the most important role when it comes to bullying. There is so many clubs on the hill, but with this club, you learn lessons that can actually save lives, even your own someday.



Advisor: Mrs. LePage

Always Drive Safe

The teachers, faculty, administration and staff care about each and every student at Bay Path, so drive safe and be careful. Whether it's a slippery road, or you get a text from a friend, just focus on the road. You can always wait to answer a text or make a phone call. Focus on the road, and be safe, drive careful.

Battle for Buffems

The Thanksgiving Day game brought some cold weather, but the fans still showed up to support the Varsity Football team. In the end, it was the fans, as well as the team, that helped bring us to victory.

Ribbon Cutting Event at Bay Path

New Building Officially Opened

Construction continued at Bay Path all year, but earlier in the year we held a ribbon cutting ceremony to officially open the a new building at the school. This new wing came out fantastic and now houses Marketing, Cosmetology, Graphic Communications, as well as other newly built science classrooms.

Student Council lending a hand for the ceremony.

The Creativity

Another year on the hill also means another year of the Bay Path After School Art Program, which students love. This art program allows the students to explore their creative side and work on projects they love. Mrs. Wilson has done a great job in making sure this program flourishes.

FALL SPORTS ON THE HILL

Throw that Football

As another year starts at Bay Path and the leaves change, that means fall sports is about to begin. The teams did well this year and with the help of some excellent coaches on the hill. The students walked away proud, because they all did the very best they possible could.

These are just a couple of pictures from senior night for Boys Varsity Soccer & Girls Varsity Soccer. The students enjoy playing their last home game in front of family & friends.

GOOD LUCK SENIORS !!!

"Here's to the crazy ones. The misfits. The rebels. The round pegs in the square holes. The ones who see things differently. They are not found of rules and have no respect for the status quo. You can quote them, disagree with them, glorify or vilify them. About the only thing you cannot do is ignore them. They push the human race forward. And while some may see them as the crazy ones, we see genius. Because, the people who are crazy enough to think they can change the world, are usually the ones who do."
